MATERIAL SAFETY DATA SHEET
(MSDS)

SECTION I: IDENTITY

Product Name: **Bug Man's Shur Step Concrete Cleaner**
Agricultural Services, Inc.
P.O. Box 1270
Nash, TX 75569
Contact Person: Richard Norton
Phone Number: (903) 832-4790

SECTION II: HAZARDOUS INGREDIENTS/IDENTITY INFORMATION

Bug Man's Shur Step Concrete Cleaner: An enzymatic mixture of active, hydrocarbon-oxidizing, natural, single-celled organisms. The enzymes and cells are contained in an inert preparation of natural clay. The mixture has no chemical impact. The mixture should be handled with the normal precaution of a hydroscopic powder. In enclosed areas, protective eye and mask covering is recommended. The mixture has been tested by human contact for a 15-year period with no direct or indirect impact.

SECTION III: PHYSICAL/CHEMICAL PROPERTIES

Boiling Point: Not applicable
Melting Point: Not applicable
Vapor Pressure: Not applicable
Solubility in Water: Insoluble, but maybe water wet
Specific Gravity: Density of approximately 2.5
Appearance and Odor: Gray to cream powder with a faint odor of hydrocarbons

SECTION IV: FIRE AND EXPLOSION HAZARD DATA

Flash Point: Non-flammable
Extinguishing Media: Not applicable
Special Fire Fighting Procedures: Not Applicable

SECTION V: REACTIVITY DATA

Stable: Avoid direct consumption or inhalation

SECTION VI: HEALTH HAZARD DATA

Route of Entry: Inhalation
Health Hazards (acute and chronic): Normal precautions for hydroscopic powder
Signs and Symptoms of Exposure: Reaction to hydroscopic powder: sneezing, etc.
Emergency and First Aid Procedures: Flush with water

SECTION VII: PRECAUTIONS FOR SAFE HANDLING AND USE

Steps should be taken if material is released or spilled: Normal precautions for hydroscopic powder.
Waste Disposal Method: Swept/hosed into lawns, soil, water, flowerbeds, compost heaps, storm drains and septic tanks.
Precautions for Handling and Storing: Normal precautions for hydroscopic powder
Other precautions: None

SECTION VIII: CONTROL MEASURES
